

## Animal and macro photography course with Denis Palanque

As a photographer and biologist, Denis has a passion for nature and is involved in a variety of scientific and environmental projects. He works with National Geographic, as well as other publications, and was awarded first prize in the prestigious “Big Picture World Photography Competition” in 2016.

The next courses will take place from from **21 until 25 may 2018** and from **8 until 12 october 2018**.

In order to register or for further information, please visit his website:

## Discover the Black Truffles of Périgord

From the end of December through January and February, you can discover the world of the black truffle. Visit the growers, help unearth the truffles with the aid of a truffle dog, visit the Monday morning truffle market at Sainte-Alvère, taste the black truffles of Périgord and the wines of Bergerac.

## Children’s entertainment

We also offer a baby-sitting and children’s entertainment service in collaboration with Eva Toujouse, who holds a professional qualification in running sports and activities for young people.

Various educational activities can be arranged, according to the age and needs of your child. For example:

- discovering nature (painting, vegetable block printing, activity games...)
- crafts (collages, paper crafts, salt paste modelling...)
- sedentary activities (board games, stories, reading...)
- outdoor games (group sports...)

These activities take place exclusively within the Roumaillac site, inside or outside according to the weather and nature of the activity. Please note that for reasons of safety, we do not offer pool based activities.

Activities are organised upon demand, Tuesday mornings and Thursday afternoons for a duration of 2 hours. Please make your booking at the latest, the day of your arrival, detailing the number of children and their age so that we may best prepare the activities.

The tariff is 15€ per child, per hour.

You can also take advantage of our evening babysitting service, 15€ per hour, per house. Again, please inform us the day of your arrival.
